Board of Directors
Canadian Association of Journalists
c/o Ms Lynn Van Luven
Carleton School of Journalism

5 October 1995

Dear Ms Van Luven,

Obviously I am dissappointed in your response. There would seem now to be a greater likelihood that abusive articles will continue to be written and published.

However, CAJ Board members should not lose sight of the fact that people with sensitivities are making advances. Our abuse will be stopped. More than anything else the Board members have defined who they are themselves, what the values of journalists are, at least as they represent them.

Sincerely,

Chris Brown
